Corporate

Trade Shows & Exhibitions

Stand out from the competition with eye-catching LED displays that attract visitors and effectively showcase your products and services.

Increased Booth Traffic

Dynamic visuals attract 37% more visitors compared to static displays, ensuring maximum exposure for your brand.

Content Flexibility

Update messaging throughout the day to target different audience segments or highlight specific products.

Enhanced Engagement

Interactive content keeps visitors at your booth longer, increasing opportunities for meaningful conversations.

Brand Memorability

Vibrant displays create lasting impressions that help attendees remember your brand after the event.

ICC Sydney & Major Venues

Our displays are compatible with all major exhibition venues including ICC Sydney, Melbourne Convention Centre, and Brisbane Exhibition Centre.

Complete Service Package

We handle all technical aspects so you can focus on your event's success.

Professional Delivery & Setup

Expert installation team ensures your display is perfectly positioned and calibrated for maximum visual impact.

Custom Content Development

In-house designers create stunning 3D animations and brand-integrated content tailored to your specific event needs.

On-site Technical Support

Dedicated technicians remain on-site throughout your event to ensure flawless operation and immediate assistance.

Maintenance & Troubleshooting

Comprehensive technical support with rapid response to any issues that may arise during your event.

DISPLAYS THAT TRANSFORM EVENTS
